PHOTOGRAPHY AND VIDEO WAIVER

SUBJECT: Use of Digital Photography and Video

1. During Civil Air Patrol events pictures and video of your Cadet will be made. This is done for historical, as well as, public affairs reasons. Photographers and videographers from around the country may record your Cadet on film. It is the practice of Civil Air Patrol to place these documents onto the internet and use them in Civil Air Patrol publications.

2. I can not limit the use of these documents from outside the Squadron. I can, however, regulate the use of them by the Huron Cadet Squadron. If permission is granted by you, the parent or legal guardian, your Cadet may appear in the following publications:

- a. Squadron web page (sq801.cawg.cap.gov)
- b. Squadron newsletter
- c. Posters created by the Squadron
- d. Presentations given to outside organizations
- e. News releases to local media outlets (television broadcast stations and newspapers)

3. Please complete this Photography and Video Waiver and return it to the Squadron Commander.

Please initial the appropriate response:
